

The Vyrnwy Aqueduct Modernisation Programme

Community drop-in

Extending from Lake Vyrnwy in Wales through to Merseyside, the Vyrnwy Aqueduct helps us to provide a clean, reliable and wholesome water supply to communities across Cheshire, Merseyside and the wider North West region.

We'll need to have some temporary road closures in place, so that the work can be carried out safely. We understand that road closures and construction activity can be inconvenient. If you have any queries please pop along to our community drop-in sessions and our team will be happy to help.

Delamere and Oakmere
Community Centre, Station Road,
CW8 2HU

- Tuesday 1 July between 2pm - 4pm
- Tuesday 15 July between 5pm and 7pm
